

Does Bidding *make your head spin?*

We're here to help bring you balance and clarity.

No need for a lengthy bidding process. Superior makes it easy for clients to buy utilizing reputable national purchasing cooperatives.

We Make it Easy to Buy

To help ease the strain of bid solicitation through a national competitive bidding process, Superior has secured opportunities for all organizations to utilize national purchasing power through reputable purchasing cooperatives.

BENEFITS OF USING BUYING COOPERATIVES

✓ **COMPETITIVE PRICING**

Leverage the purchasing power of public agencies.

✓ **SAVE TIME AND MONEY**

Ease the strain of bidding and save administrative time and resources because the competitive procurement process has already been completed.

✓ **TRUSTED SOURCES**

These cooperatives are competitively solicited and publicly awarded by lead agencies utilizing applicable procurement laws and regulations.

✓ **OPPORTUNITIES FOR ALL**

Municipalities, city governments, schools and boards of education, and state and federal entities can utilize these cooperatives without a membership charge.

BuyBoard Contact #679-22
Expiration Date: 9/30/2025

PROGRAM HIGHLIGHTS

BuyBoard is member-governed by the Texas Association of School Boards (TASB). They have 11 members on their board of directors, most which are purchasing professionals that represent members of schools, cities, and counties. They govern the cooperative and award contracts to vendors through a bid solicitation. School districts, cities, counties, and other governmental entities outside of Texas join the BuyBoard's National Purchasing Cooperative to access and take advantage of the streamlined purchasing process.

BuyBoard is an online purchasing cooperative that gives its members best pricing on products, equipment, and services that they use every day. Its purpose is to obtain the benefits and efficiencies that can accrue to members of a cooperative, to comply with state bidding requirements, and to identify qualified vendors of commodities, goods, and services. The cooperative also relieves the burdens of governmental purchasing by effectively using current technology and realizing economies of scale.
